## New CHS Majorettes, Drum Majors

Canyon High School majorettes and drum majors for the coming school year have been announced by Gary Zook, CHS band director.

New drum major is Dana Reynard, who will be a junior this fall. Alternate drum major is Randy Price, a sophomore.

Majorettes are Linda Grimes, senior; Susan Read and D'Lynne Bellah, both freshmen. Miss Grimes has served as majorette previously.

They were chosen in a try-out session last Thursday by two judges, Larry Colvin, Sunray band director, and Bruce Cook, Tulia band director.

First public performance will be at the football game in Floydada, September 10, said Zook.

Band practice will start August 16, Zook announced, and will continue until school starts. Freshmen will practice from 8:30 a.m. to 10:30 a.m. Monday, Tuesday, Thursday and Friday; full band practice is scheduled from 6-9 p.m. every evening of the same days.

## New Basket Needed For Jury Wheel

Randall County's jury wheel is too small to accommodate the growing list of prospective jurors.

This situation was brought to light before commissioners court Monday by County Judge Lloyd King who declared, "We've got to do something."

The jury wheel actually is a basket-type apparatus of the type that might be used in a lottery. Judge King said the growing list of prospective jurors printed on cards pack the present basket so the cards do not move when the basket is shaken.

The court authorized County Clerk Tommy Lair to have a blacksmith make "whatever kind of basket we need." They strongly suggested a 55 gallon barrel.

In other business, commissioners Monday voted to purchase a 1965 Oldsmobile from Canyon Motor Company for use by the Randall County Sheriff's Department.

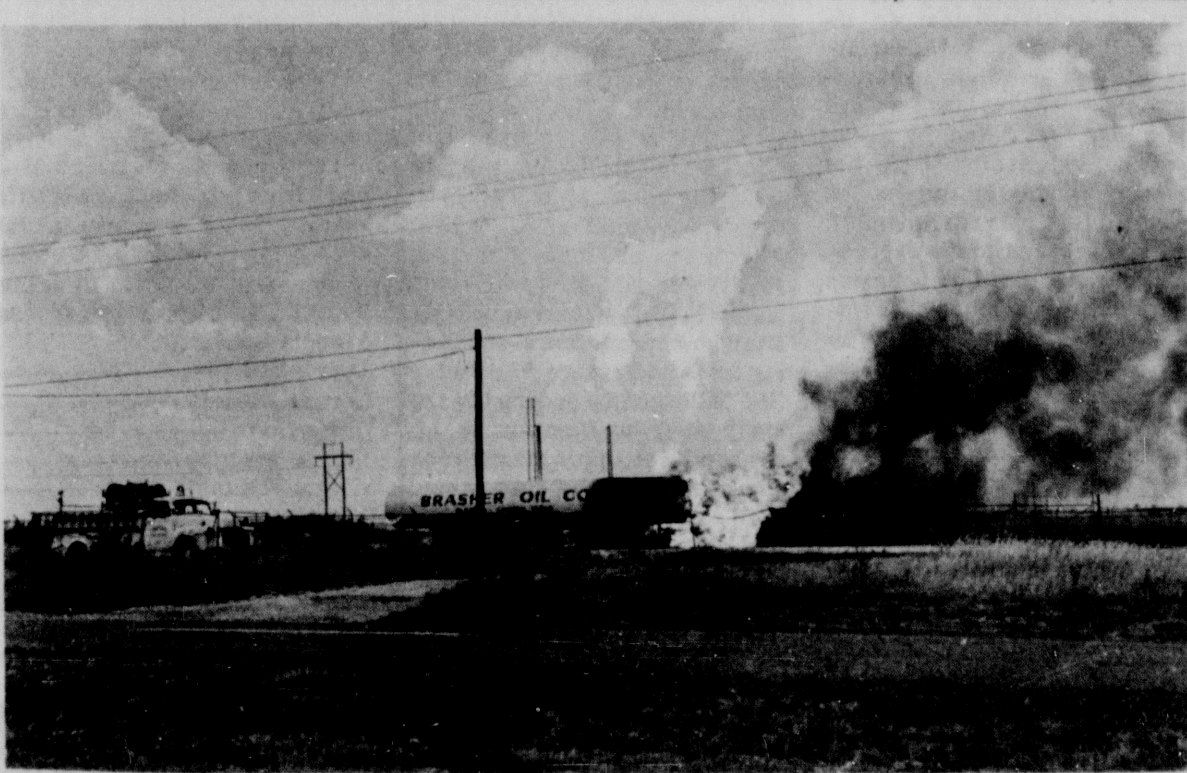

Canyon Motor Company's bid was of \$2,156.82 with trade in of an auto presently being used by the department.

## Happy Girl Wheatheart Contestant

Miss Alice Womack, 18, of Happy is representing Swisher County in the 18th annual Miss Wheatheart of the Nation beauty pageant to be held in Perryton August 21.

Miss Womack is the daughter of Mr. and Mrs. E.A. Womack of Happy. She is in competition with contestants from a five-state wheat belt area including Texas, Oklahoma, Kansas, Colorado and New Mexico.

The beauty pageant will be held at 7:30 p.m. August 21 in the Perryton high school auditorium as a climax to a week of activities celebrating the 46th anniversary of Perryton.

FIRE JETS spewed some 200 feet in the air Friday afternoon following an explosion at the Brasher Oil Company west of Canyon. A loaded 6700 gallon propane truck driven by Preston Scifres of Amarillo caught fire while unloading propane into three tanks at the oil company. Firemen battled the blaze for four hours. Scifres, who was burned in the explosion, is listed in serious condition at Northwest Texas Hospital in Amarillo.

## Amarillo Man Burned As Blast Rips Truck

An Amarillo truck driver was seriously burned Friday afternoon as an LP gas explosion rocked northwestern Canyon. Still in serious condition in Northwest Texas in Amarillo this week is Preston Scifres, 1617 North Arapahoe, Amarillo. Scifres suffered first, second and third degree burns about the upper back, arms and shoulders when his propane gas tanker truck and a huge LP gas tank at Brasher Oil Company here burst into flames and exploded.

Scifres, driver of the truck, was rushed by LaGrone ambulance to Nebbett Hospital here for emergency treatment. He then was transferred to the Amarillo hospital.

The explosion and fire occurred around 1:30 while Scifres was unloading his 6700 gallon transport truck at Brasher Oil Company, west of Canyon on Highway 87.

Tanks on the truck were full, according to Brasher Oil personnel, but three propane tanks, which Scifres was unloading into were nearly empty.

Damage was estimated around \$45,000 by owner Tom Brasher.

The truck was destroyed, and heavy damage was reported to the three tanks on the oil company property.

Charles Brasher, co-owner of the company, and his wife were inside the warehouse, some 100 yards west of the propane tanks.

"I saw liquid spewing out, then suddenly I heard this big boom," Brasher recalled just minutes after the explosion. "We still don't know what caused the fire."

Scifres, who is employed by Glenn Scott Company of Amarillo, ran from the heart of the blaze, fell to the ground, and rolled in the grass in an attempt to extinguish the fire engulfing his upper body.

"We saw him run out, then fall down," reported Oren Fisher, an employee at the oil company. (See DRIVER Page 8)

## Canyon Eagles Girding For Second AAA Year

Canyon Football Coach Jim Greenwood is being introduced to many of his team members this week for the first time as the 1965 version of the Canyon Eagles check out grid equipment.

"I won't see most of them until they report for practice," Coach Greenwood was quoted as having complained at the recent coaching school held at Dallas.

The Eagles will be in their second year in AAA this season and will open that season Sept. 10 against an old rival, the Floydada whirlwinds. They take on the green clad aggregation at Floydada.

The Eagle team this year will be bolstered by 14 returning lettermen, among them six starters.

"I've been impressed by everything I've seen so far," Coach Greenwood declared Tuesday. "I'm enthusiastic but not optimistic."

Greenwood said he believes Dumas, district champions, is as good as last year.

Returning Eagle starters include Larry Robinson, end; Tom Lair, quarterback; Joe Moore, halfback; James Evans, center; Dennis Haley, fullback; Gary McAtee, defensive halfback; and Wayne Brewer, halfback.

Other returning lettermen include Sherman Smith, Mark Lair, Stephen Hines, Bruce Winn, Mike McBroom, Randy Harrison and David Rossi.

Practice starts in earnest Monday. A meeting of the squad has been called for 8 o'clock.

## Anthrax Controlled Says Vet

Anthrax tentatively has been blamed with the death of an animal in another Randall County herd this week.

The veterinarian on the case said samplings from the animal have been sent to the state laboratory for definite diagnosis.

He said steps were taken immediately to prevent spread of the disease and there is no cause for alarm at the present time. He said the case turned up in a new herd bringing to four the number of herds believed to be infected.

All four herds are in the same general area, all in the northwest part of Randall County.

He said cattle in the herds infected all have been vaccinated. Veterinarians of the Amarillo area are cooperating with officials of the Texas State Health Department and the Texas Animal Health Commission to prevent the spread of the disease.

## Woman Hurt In Plane Crash Here

A young Lubbock woman was injured shortly after noon Saturday when the private plane in which she was riding crashed in a field south of Canyon.

Miss Mary Sue Gandy, 26, a Texas Tech student, was the passenger in a Piper (J-3) Cub piloted by Mickey Simms, 27, of Clovis, New Mexico, when the plane stalled in landing. Simms is also a Tech student.

The crash occurred three quarters of a mile south of the Canyon city limits and a half mile west of Highway 87, according to reports. (See WOMAN Page 8)

## Young Suspect Pulls Daylight Jail Break

### Three Stay Behind As Prisoner Flees

A 19-year-old accused burglar broke out of Randall County jail Wednesday morning.

Harry Jack Spikes, indicted only last week by a Randall County grand jury, smashed a pane on a jail run around window and then squeezed through narrow metal grill work to freedom.

Officers had brought a tracking dog in on the case by 2 o'clock Wednesday afternoon. Deputies said decision to use a tracking dog was made after a boot print believed to have been made by Spikes was found north of Canyon in the vicinity of Buffalo Stadium.

A German Shepherd belonging to Deaf Smith County Deputy Ed Robertson was brought to Canyon to do the tracking. Officers here said the dog has been used successfully over a wide area in the past.

Some of Spikes clothing was used to give the dog a scent.

Officers believe that once outside, Spikes shinned about 10 feet down a drain pipe to a platform which parallels the annex housing the jail. They think he must have leaped about 14 feet to the pavement.

The jail is located on the second floor of the court house annex some 25 to 30 feet above the ground.

Between jail cells and the outside wall of the jail is a run around about three or four feet wide.

Windows line the outside wall of the run around.

Sheriff L.S. "Slim" Johnston said Spikes was doing clean up work about 10:30 when he was left locked in by a deputy. The deputy was on an errand for (See THREE Page 8)

## Tourist Totals Reported

Palo Duro Canyon State Park has reported a total of 43,100 visitors during the month of July, while Panhandle-Plains Historical Museum shows a crowd of 11,447 for the month.

According to Park Superintendent E.J. Boehm, the July park figure is almost 1,000 more than for the same period last year, and brings the 1965 total to 165,685. Overnight campers reported totalled 12,940 this month, in comparison with the July, 1964, figure of 9,405.

There were 6,950 Texas cars visiting the park this month, 296 more than last year, while the 1670 out of state cars fell below 1964's July count of 1777.

Boone McClure, director of the museum, compared the July, 1965, total with 11,931 for last year. The year's count of 54,750 stands well above last (See TOURISTS Page 8)

## Mail Orders To Replace Phone Calls

Tickets for Branding Iron Theatre production "The Fantasticks," to be presented August 19-21, will be reserved by mail order rather than telephone call between August 9 and 16, announced director William A. Moore.

Repairs on the college switchboard will be responsible for the temporary change, said Moore. Persons wanting tickets may write a note telling where they want to sit and which night they would like and enclose a check or money order made out to the Branding Iron Theatre.

These mail orders will be ended Monday, August 16, when the box office of the theatre will be opened at 10:30 a.m. Box office will be open every day during that week, from 10:30 until noon and from 1:30 p.m. until 4 p.m.

## Budget Hearing Tuesday

Public hearing on a tentative school budget of \$1,179,837 will be held at 8 o'clock next Tuesday night.

The hearing will be held in the board room at Canyon High School. School Superintendent Huelyn Laycock said the public is invited.

## Enrollment Set For CHS

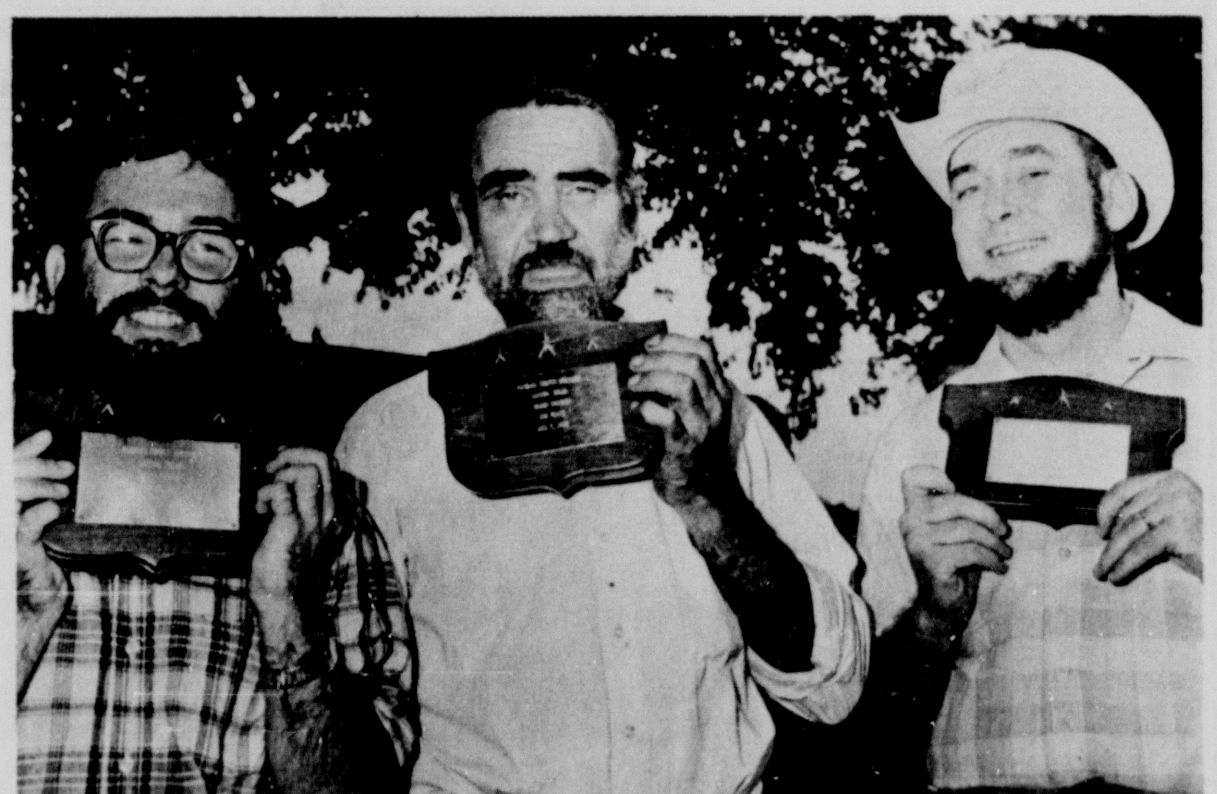

Enrollment for Canyon Junior High and High School students will be held August 27 and 28, with classes set to begin Monday, August 30, announced Superintendent Huelyn Laycock.

Students who have moved to Canyon School District since May, 1965, should report before August 15 to the Principal's Office in the building in which he or she is to attend school.

For high school students transcripts of the work done in other schools must be received before proper classification can be made and enrollment completed. Each beginning student in Canyon school system, whether in the first grade or older, advised Laycock, is required to present evidence that he has been immunized for diphtheria and smallpox. He is also required to present a birth certificate.

Schedule for enrollment of high school students is: senior class, 9 a.m. to 12 noon, Friday, August 27; juniors, 1:30 p.m. to 4:30 p.m. Friday; sophomores, 9 a.m. to 12 noon, Saturday, August 28.

All students will report to the auditorium, where instructions in regard to enrollment procedures will be given. Students should be prepared to clear all past due accounts and pay a student activity fee of \$1.50. Those having outstanding accounts from the previous year (See ENROLLMENT Page 8)

BEST BEARDS IN THE COUNTY were these three fine specimens, chosen from a field of eight entries in the beard contest, sponsored by Canyon Jaycees during the Old Settlers Roundup.

Roundup. Owners of the beards are, left to right, first place winner Dave Berry; Charles Brasuel, second place; and Gordon Broyles, third place.

## Sun, Rain, Moonlight For Old Settlers Here

In sunshine, raindrops and moonlight Randall County celebrated its annual Old Settlers Roundup last Friday and Saturday.

The festivities were officially begun at 10 a.m. Friday with the Old Settlers Reunion in the Gold Room of West Texas State University East Cafeteria.

Master of ceremonies and reunion chairman Bill Davis reported 82 persons present for the luncheon and program from noon until 2 p.m. Of that number, said Davis, 75 were actual Old Settlers.

The program included a film concerning "Thundering Sounds of the West," introduced by Mrs. Ples Harper, president of the Texas Panhandle Heritage Foundation, as well as several solos by Glenn Dowlen, Jr., baritone who is with the New York City Center Opera company.

"The program was very well attended, and everyone was quite happy with it," said Davis. "They all want to have it again next year."

Two-night feature of the celebration was a special Cowboy

Sports Event, sponsored by Randall County Sheriff's Posse. Posse president R. B. Allen announced the following individual all-round winners in the two-night competition:

Peewee Girls division, Connie Davis, Randall County Sheriff's Posse; Peewee Boys, Randy Read, Rolling Hills Riding Club of Amarillo; Junior Girls, Pat Cooper of Hereford Riding Club; Junior Boys, Mike Read, Rolling Hills; Senior Women, Karen Blackwell, Hereford Riders; and Senior Men, Ed Waldrop, Randall County Sheriff's Posse.

Randall County Sheriff's Posse won the team contest of

the ribbon race. Members of the team were Ronald Cox and Ed Waldrop. Pony Express Race was won by the Hereford Riding Club.

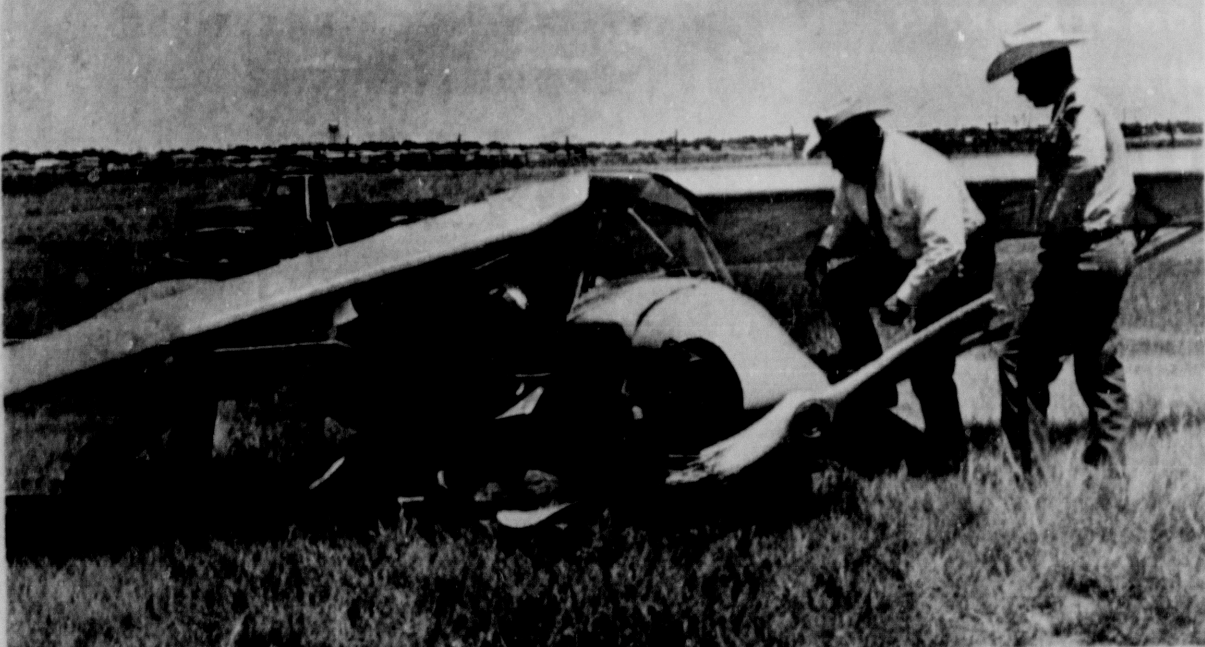

Each night a \$75 gift certificate was awarded the winner. They were C.A. Waggoner and C.E. Hayes.

Saturday afternoon the Old Settlers Parade was held. Riding Club judging was scored by percentages, according to a form distributed by the American Association of Sheriff's Posses and Riding Clubs.

Parade winners, according to Allen, were Hale County Sheriff's Posse of Plainview in the adult division, and Hart Junior Riding Club in the junior division.

Runners-up in the adult division were Silverton Riding Club and Swisher County Sheriff's Posse of Tulia. Trophies were presented to the four clubs Saturday night preceding the sports event. The junior trophy was donated and presented by American Legion Palo Duro Post 97 of Canyon.

## CANYON RIM

Discussion of academic freedom has again focused attention on the student demonstrations at the University of California last fall.

No discussion of the Berkeley demonstrations would be complete without attention being called to Page 1 of the May 18 issue of The New York Times which carries an account of testimony given March 4 by FBI Chief J. Edgar Hoover before the House Appropriations Committee.

"J. Edgar Hoover told Congress there was Communist involvement in the student demonstrations at the University of California last fall," says

The Times.

Hoover testified that individuals with subversive backgrounds who participated in the demonstrations included five faculty members and 38 other persons, whom he said were students or in some way connected with the university.

The fall disorders were cited by Hoover as an example of a "demonstration which, while not Communist-originated or controlled had been exploited by a few Communists for their own ends."

"In this instance," he said, "a few hundred students contain within their ranks a handful of Communists that mislead, confuse and bewilder a great many students to their own detriment."

Hoover said Mario Savio, spokesman for the university's Free Speech Movement and the demonstrators, had a previous arrest record for sit-in demonstrations.

He said Savio made a tour of Midwest and Eastern colleges last November accompanied by Bettina Aptheker, daughter of Herbert Aptheker, whom Hoover identified as a member of the national committee of the Communist Party.

The Times quoted Hoover as having said Bettina Aptheker

was a member of the W.E.B. DuBois Club of America. Hoover described that club as a Marxist organization founded in June of last year in San Francisco and named in honor of Dr. William E.B. DuBois, a civil rights crusader who joined the Communist Party at the age of 93.

Hoover wasn't the only one who testified before the House committee. The committee also heard from Charles E. Moore, spokesman for the International Association of Chiefs of Police. The Times said he testified that the student demonstrations and the accompanying "filthy speech" episode had been dominated by a small "hard core" group of Communists and Communist sympathizers who "generated new demands upon the university as fast as the university yielded or surrendered at every turn to other demands."

In the light of testimony given by these top law-enforcement investigative officials could anyone responsibly be called irresponsible for referring to the University of California demonstrations as "Red-tinged"?

Files of The New York Times, including the one giving an account of Hoover and Moore testimony, are available on microfilm at the West Texas State University Library.

Fire Damages Trailer House

Fire did minor damage Sunday morning to a trailer house belonging to Jimmy Criddle. The trailer house is located in Medford Trailer Park.

City Fire Captain Joe Rice said a broken gas line was blamed for the blaze.

August 1, 1965  
Dear Editor,

After due consideration of your editorial on "Academic Freedom," I find certain discrepancies in its content. While I agree with your belief that academic freedom is the freedom to seek truth, I deplore what I consider to be your irresponsible use of the epithet, "red-tinged."

Failing to find any corroborative facts to the alleged Communist influence expressed in your editorial, I have come to the inescapable conclusion that it was merely your opinion that the movement was "red-tinged." Whereas, it is a matter of record that the University of California Board of Regents formed a committee to conduct a thorough investigation into the matter. In an 85 page report, it found that "The Free Speech Movement was not Communist inspired," as some have charged. It is interesting to note that this board was formed by the same Board of Regents that opposed the movement in the beginning. Moreover, the committee placed the burden of guilt on the Administration for being, "indecisive, vacillating, and ineffective," in handling the crisis. The report concluded that the Free Speech Movement was certainly justified, and that students should, "be given an effective voice in policy."

As for your statement that "...the ring leaders of the Berkeley riots were not nearly as eager to find truth as they were to embarrass the school's administration and create chaos," I find it obvious that the ad-

## Pipe Down

(An Editorial)

The Federal Communications Commission recently laid down a ruling which undoubtedly will rank high in the all-time as sublimely ridiculous.

The FCC, whose business is the protection of the public interest, has taken steps to reduce volume of TV and radio commercials.

"The presentation of objectionably loud commercials," says the FCC, "is contrary to the public interest."

It has warned the industry to pipe down or some license will be lost.

We contend that such a ruling is an infringement upon the rights of those who pay the bills for operating TV and radio stations. If TV and radio station operators find their commercials so loud as to be in bad taste and offensive to the public, in enlightened self-interest they will tone them down.

To force a TV or radio station to tone its voice down or face banishment is about the same as telling a newspaper to desist the use of color in display advertising or face the cancellation of its mailing permit.

Besides, someone should inform the FCC that radio and television sets are equipped with two knobs which give the public unlimited control over radio and TV patronage.

One knob is used to change stations and the other turns the set off.

## Letters To The Editor

ministration could not have been embarrassed had they not something to be embarrassed about.

Professor Malcolm L. Diamond, of the Department of Religion, Princeton University states: "I do not deny that the excitement generated by the activists on campus may be exploited by various interests, but our Universities must adhere to the standards of freedom of expression and openness to criticism that we affirm all the time. If Universities are not to encourage freedom and openness, then we are in a bad way. And by freedom of expression I do not mean 'freedom of expression provided that it is responsible!' And by openness to the expression of criticism, I do not mean 'criticism is permitted provided that it is constructive.' The test of a free society is its openness to the free expression of unpopular and even abrasive opinion."

"Furthermore, administrations of all sorts, universities included, almost invariably regard sharp criticism as irresponsible."

"The best way to deal with any organized attempt to embarrass our universities would be to practice what we preach."

Being an American, I feel it to be our inherent right to participate in the open forum of American politics; and being a college student, I take pride in the following statement by the President of Mercer University, more than supporting that right: "College students are probably nearer to good, and closer to the heart of truth, than they will ever be again."

I find, and it is supported by fact, that the Free Speech Movement was neither "red-tinged" nor irresponsible, and was essentially a search for academic freedom in its truest form.

In conclusion, I think that a statement by former Supreme Court Justice Arthur Goldberg will suffice: "I fear intellectual disengagement more than I do involvement..."

Sincerely,  
John Haynes

Canyon News

Dear Editor:  
In perusing your comments in your editorial, From The Canyon's Rim speculating why those SAM missile bases weren't knocked out before completion, well how could those poor Reds tell how effective they were if no live targets as our flyboys. From some people's viewpoint that's what they are on the firing line for is to get bumped off.

You said that if you were a parent of one of those gallant young men that have to fly into the teeth of such missile fire someone would hear from you and I sure don't blame you none for your feelings.

Well how about the parents of young men who had to fly into the teeth of that forewarned flak after that precedence-shattering news conference 93 minutes BEFORE giving orders for the blast off from flight decks. Up til then I was under the impression that the proper time to hold such a conference was AFTER it was over with and all our men and planes were safely back at their base or carrier.

## Grand Jury Indicts Six

Six persons were indicted by a Randall County grand jury last week.

Two of the six subsequently entered pleas of guilty before District Judge Gene Jordan.

J.R. Willyard, 19 years old, Amarillo, was indicted on a charge of receiving and concealing stolen property. He waived a jury and entered a plea of guilty.

He was given two years probation.

William Everett Little was indicted on a charge of burglary by breaking. Little, 27, Dallas, waived a jury and entered a plea of guilty. He was sentenced to five years in prison.

Harry Jack Spikes, 19, Malibu, Cal., was indicted on a charge of burglary by breaking.

Others indicted include Orville Wayne Wallingsford, 19, Amarillo, theft over \$50; James Wendell Wallingsford, 18, Amarillo, theft over \$50; and Houston Dale Cope, 21, Amarillo, receiving and concealing stolen property.

Mr. and Mrs. L. R. Blair have returned from several days vacation in Texas where they visited in Dallas with their son, Parker Blair, and family.

The Blairs also visited with their daughters' families, Mr. and Mrs. Truett Lambert in Abilene and Mr. and Mrs. Carl Gene Spears in Lubbock.

While in Dallas the Blairs toured Six Flags Over Texas and the wax museum.

J.W. KLEINSCHMIDT, LEFT, and Paul Rogers, right, present a Roundup trophy to the winning club in the junior division, Hart Junior Riding Club. American Legion Palo Duro Post

**Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

paid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors, in income from such investment shall be used for the purposes prescribed by the Legislature.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows:

"Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section.

"(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, including Junior Colleges, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe.

"(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and un-

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan.

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

**PUBLIC NOTICE**

**Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7c) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2c) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10c) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings and other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30c) on the One Hundred Dollars (\$100.00) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"The following state institutions then in existence shall be eligible to receive funds raised from said Ten Cent (10c) tax levy for the twelve-year period beginning January 1, 1966, and for the succeeding ten-year period:

- Arlington State College at Arlington
- Texas Technological College at Lubbock
- North Texas State University at Denton

**Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas as to involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the Commission; and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at the hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master, or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

# Jan Williams Named 4-H Bake Show Champ

Miss Jan Williams was named winner of the annual summer 4-H Bake Show held last Thursday afternoon in the Junior Livestock Building in Canyon.

Miss Williams, daughter of Mr. and Mrs. Glenn Williams, exhibited in both the angel food cake and biscuit divisions and received the highest score awarded, 293.

A sophomore at Canyon High School this fall, Miss Williams has been active in 4-H about

six years. The family has lived in Randall County for one year, prior to that Miss Williams participated in 4-H in Lipscomb County where she was winner of the Favorite Foods Show for two years and won the county dress revue twice.

Mrs. David Pulley, Randall County home demonstration agent, presented a blue ribbon and a Betty Crocker cook book to Miss Williams, who has served as subject matter leader for

a 4-H group this year. She is a member of Wagonwheel 4-H Club.

Jan won the honor of representing Randall County in the 4-H Better Bake Show, which will be featured during Rural Youth Day at the Tri-State Fair in Amarillo. Winner of the bake show will receive a cash prize.

All 4-H participants are eligible to enter exhibits in the Tri-State Fair though they will not compete for prizes. Entering record books in the district competition are Cindy Gruner, Santa Fe overall; Leta Cranmer, clothing; Mary Cummins, achievement, and Miss Williams, baking.

Approximately 75 mothers and their 4-H daughters were present for the awards ceremonies of the county 4-H Bake Show last Thursday.

Judges for the foods division were Gladys Armstrong of Canyon, former professor of home economics at West Texas State University and Mrs. James McCasland of Canyon, a graduate of Oklahoma State University with a major in home economics.

Records were judged by Audrey Klouse, home demonstration agent for Hartley and Oldham counties, and Mrs. W. B. Betts, Oldham County 4-H leader.

Some 29 girls were entered in the 4-H Bake Show last Thursday.

Red ribbons were awarded to Annette Robinson, Marilyn Robinson, Elaine Smiley, Minnie Bible, Linda Hales, Charlotte Dietz, Mary Cummings, Terry Jo Reynolds, Shari Henry, Sheryl Schaeffer, Marian Belcher, Clara Waugh, Kathy Gist, Karen Boehning, and Jan Henson.

Receiving blue ribbons were Millie Hales, Connie Brazzil, Linda Hollenstein, Sharon Allen, Terri West, Leta Cranmer, Rhonda Hales, Joelyn Crowley, Linda Hicks, Marsha Hager, Melanie Sikes, Jan Williams, Mary Ann Boehning, and Judy Boehning.

## Teen Fashions Post For Girl

Miss Ricky Michael, daughter of Mr. and Mrs. Meade Michael of Canyon, has been selected as a correspondent for "Seventeen Magazine."

Miss Michael will serve as correspondent of The Hollywood Shop in Amarillo where she is also current president of the Debu-Teens, a teenage fashion club.

This fall Miss Michael will be a senior at Canyon High School where she has been sweetheart of the Future Farmers of America, former class reporter, a member of the Art Club and member of the Thespians.

Miss Michael is also serving as scrapbook chairman for the Debu-Teens. Another Canyon girl, Rosemary Gerdson, is a member of the fashion club. Miss Gerdson is the daughter of Mr. and Mrs. Herbert Gerdson.

4-H BAKE SHOW winner, Miss Jan Williams, left, displays an angel food cake as Mrs. Aaron Cummins, organizational leader for Wagonwheel 4-H Club, presents her with a blue ribbon and cook book. Miss Williams was named top cook

among some 29 entries in the annual contest. She will represent Randall County at the 4-H Better Bake Show at the Tri-State Fair in Amarillo during September.

## Mrs. Olson At Baptists Have Guest Sunday

Mrs. Don Olson has returned from a two week stay in New York City, New York where she attended the National Education Association convention.

Mrs. Olson was accompanied by Judy Neslage of Pampa. The two visited the sights of New York City, were in the audience of Johnny Carson night show one time, attended the World's Fair and later flew to Washington D.C. to tour the capitol and sights of the area.

## Baptists Have Guest Sunday

Rev. M. E. Weathers of Canyon will be guest speaker at the First Baptist Church of Canyon for morning and evening services Sunday, August 15.

Rev. Weathers has held pastorates at Merkel, Gruver, and Clovis, New Mexico. He is a graduate of Wayland Baptist College in Plainview.

Rev. and Mrs. Strauss Atkinson will be on a short vacation trip.

## Ski Club Sets Tournament

Panhandle Boat and Ski Club will sponsor a closed club tournament at Buffalo Lake August 15th.

The tournament is restricted to club members and will be the final event of the summer season for the local club.

Kenneth Clark of Canyon, represented the club at the South Central Regionals which were held in Lubbock August 6-8 at Buffalo Springs. Clark was chief judge for the affair.

## Scholarship For Pittard

David Pittard has been awarded two scholarships totaling \$2400 from Abilene Christian College.

A 1965 honor graduate of Canyon High School, Pittard was also a National Merit finalist in 1965. The Dean Walling scholarship and National Merit scholarship will total \$2400 for the four year period, payable in the amount of \$600 per year and renewable on the basis of a 3.0 grade point average.

Pittard maintained a four year average of 95 while attending Canyon High School.

The son of Mr. and Mrs. Bob Pittard of Canyon, David was a recent contestant on the television show "Password" where he won \$600.

Before coming to Canyon for his junior year, he was active in student council, science club and played football and tennis. While at Canyon High School, Pittard was active in the choir, Thespians, Future Teachers Association, art club,

National Honor Society, football, basketball, tennis and was president of the newly organized Literary Club.

Voted "Most Likely to Succeed" by his classmates, Pittard also won the top Physics award. He is an active member of the Church of Christ and will be a pre-med student while attending Abilene Christian College.

During the summer, Pittard is working with Southwestern Bell Telephone Company installing telephones in college dormitories at West Texas State University.

## Olsen Visits Family Here

James C. Olsen of Fairfield, Connecticut, is visiting for two weeks with his brother, Kenneth H. Olsen, in Canyon. Mr. and Mrs. Olsen took him to see "Thundering Sounds of the West," where he lost to a man from Switzerland in the greatest distance traveled contest.

The Olsens and son Robert plan to take him also to northern New Mexico for a fishing trip during his visit.

A warm welcome awaits you at the....

### Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board and shall have the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price thereof, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of the bonds issued and sold by said Board or of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformity with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes hereinafter provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 14 proposing Amendments to Section 4, 22 and 23 of Article IV of the Constitution of the State of Texas, so as to provide a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office and Secretary of State; and certain statutory state officers; providing for the necessary election and the form of the ballot; and providing for the necessary proclamation and publication.

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article IV of the Constitution of the State of Texas, be amended so as to hereafter read as follows:

"Section 4. The Governor shall be installed on the first Tuesday after the organization of the Legislature, or as soon thereafter as practicable, and shall hold his office for the term of four years, or until his successor shall be duly installed. He shall be at least thirty years of age, a citizen of the United States, and shall have resided in this state at least five years immediately preceding his election."

Sec. 2. That Section 22, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 22. The Attorney General shall hold office for four years and until his successor is duly qualified. He shall represent the state in all

suits and pleas in the Supreme Court of the state in which the state may be a party, and shall especially inquire into the charter rights of all private corporations, and from time to time, in the name of the state, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such charters, unless otherwise expressly directed by law, and give legal advice in writing to the Governor and other executive officers, when requested by them, and perform such other duties as may be required by law. He shall reside at the seat of government during his continuance in office. He shall receive for his services an annual salary in an amount to be fixed by the Legislature."

Sec. 3. That Section 23, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 23. The Comptroller of Public Accounts, the Treasurer, the Commissioner of the General Land Office, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution, shall each hold office for the term of four years and until his successor is qualified; receive an annual salary in an amount to be fixed by the Legislature; reside at the Capital of the state during his continuance in office, and perform such duties as may or may be required by law. They and the Secretary of State shall not

receive to their own use any fees, costs or perquisites of office. All fees that may be payable by law for any service performed by any officer specified in this Section or in his office, shall be paid, when received, into the State Treasury."

Sec. 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."

# Green Beans Favorite Canyon Fire Dog Food

BY LINDA LOVE

Sirens and parade crowds, fire trucks and firemen, long ladders and hoses gushing water—all these made up the colorful life of the old-time fire dogs. Add a big helping of green beans and an up-to-date fire department, and you have a unique 1965 model of the large white dogs, complete with plenty of black spots.

"Green beans are about his favorite food, but he loves all vegetables. He'll eat just about anything," said Fire Captain Joe Rice as he tossed a vitamin to the department mascot Duke.

The three-year-old Dalmatian made an excited leap for the pill and in his rush bounced it off his nose. "He doesn't miss those very often," commented an onlooker. By this time Duke had gobbled down the nugget-size vitamin.

"Dalmatians are traditionally 'coach dogs,' or fire dogs which have always belonged with the old-fashioned fire stations. They're about all that's left of the old customs," explained Rice.

Duke was given to the Canyon Fire Department by a local resident a year ago, when the department's first mascot, Smokey, was killed by a car. The lively pet has become familiar with department routine

during the year and is the main attraction at the station. "The kids come by pretty frequently to see Duke," commented Rice. "Besides wanting to see him, they seem to enjoy the tradition of the old fire stations and coach dogs, so he gets quite a bit of attention."

Duke has learned to distinguish between the ring of the

## Hidden Falls Housewarming

More than 200 persons from Canyon, Tula and Amarillo attended a housewarming for Rev. and Mrs. John Staat last Saturday night at Hidden Falls Ranch, four miles north of Wayside in Palo Duro Canyon.

The Staats, founders and directors of the youth camp, recently moved into their home at the camp.

Four churches where the Staats had served as pastor, Sunday school teacher or supply minister, composed the group present. They were from the First Methodist Church of Canyon, First Congregational Church of Tula and two Amarillo churches.

Presented to the Staats were an electric washing machine and dryer.

regular business phone and that of the fire telephone. According to Rice, the dog lies quietly while the business phone is sounding but reacts immediately to any call to a fire.

"We don't take him with us, usually, to a fire," said Rice, "because it takes too much time to get him from his pen." He has accompanied the department on a few calls, however, and ambles around while he waits for the signal to leave.

The friendly Dalmatian rides in all parades as a mascot, perched in the 1928 Model A Ford which the department keeps as a parade truck.

Aside from these duties, most of Duke's time is spent in the station or romping in his outdoor pen.

"He does like to chase cats, but when he's in the pen, they walk back and forth along the brick wall and tease him. All in all, he leads a pretty regular pet's life," Rice commented.

He shook his head. "I think he learned to notice that fire phone's ring because the siren always went off soon after, and he connected the two. But now I don't know what the new Pletron system's going to do to him." The new system, a one-way radio, makes the station alarm siren unnecessary.

Duke's only answer was a long yawn.

OLD-TIME COACH DOG, DUKE is mascot for the Canyon Fire Department. When serving in his official capacity on special occasions, Duke greets his public from this parade truck, a 1928 Model A Ford.

about a half hour and upon his return found that Spakes had fled.

The smashed window and marks on the outside of the jail wall told the story.

When the deputy left the jail four prisoners, including Spakes, were cleaning up in a hallway with access to the run around. Officers said the other three prisoners made no attempt to accompany Spakes.

Sheriff Johnston immediately began an all-out search. He conjectured that Spakes probably went into hiding as soon as possible after his escape.

"If he's in a hot place, he may wiggle around some," the sheriff declared about noon Wednesday. "If he got into a cool place, he won't come out until night."

Johnston warned nearby residents not to leave ignition keys in automobiles.

Spakes, who gave officers a Malibu, Cal., address is a native of Amarillo.

Sheriff Johnston said the Oklahoma Pardons and Parole Board has placed a hold order on Spakes.

At the time of his escape he was wearing a blue knit T shirt and black trousers. He also wore black slip-on-boots. Spakes is 5 feet, 10 inches tall and weighs about 155 pounds. His build is described as medium and he has brown hair and brown eyes.

Johnston said he had been planning to cover the windows with heavy screen wire and only during the past month had been figuring with a contractor for the job.

He said he decided to have the windows covered after discovering that when the window vents were open, prisoners had tossed cords down to confederates on the ground. Contraband items were tied to these cords and thus sneaked into the jail.

Randall County has never had, at least in recent years, a jail break in which there was violence. About two years ago two trustees walked off from a job in the court house and fled after hiding out all day in a building near Consumers Elevator.

ing brought additional events. Canyon Jaycee-Ettes sponsored a Bingo Booth on the courthouse square. A profit of some \$70 was made by the club, said chairman Mrs. Carl Miller, and the funds will be used for community and civic projects.

Junior Chamber of Commerce sponsored the annual board contest, judged this year by Mayor Clarence Thompson and KPDA-TV (Channel 10) representatives Lee Webb and Ralph N. Leone of Amarillo.

Best whiskers award went to Dave Berry of Canyon, who received a \$50 cash prize and an engraved plaque. Charles Brasuel took second place honors and was awarded \$10 and a plaque. Third place in the beard contest went to Gordon Broyles. Broyles received a plaque also.

Chairman Carl Miller reported eight entries in the contest, with approximately 400 shaving permits at \$1 each sold by the club preceding the event.

Approximately 940 persons were served barbecue by Jaycees and Jaycee-Ettes of Canyon Saturday evening. The barbecue was prepared by members of the Canyon Jaycees.

Chairman Jackie Whitley stated that some 200 additional pounds was sold by the club after serving lines were closed. Forty gallons of cooked red beans were donated to various cafes in Canyon following the barbecue.

"We started out with about 720 pounds of boneless beef," said Whitley. The crowd was served within an hour and a half.

"The Jaycees would like to thank those who assisted with time or products," Whitley added. They included Mead's Bakeries, Cook Book Bakeries, Morton's Food, Taylor and Son Grocery, Cooper's Market, Bellah's Market, Wayne Wirt, Bill Wilson, Sternberg Lumber Co., Co-op Elevators, Bob Clark of the WT cafeterias, and Independent Produce.

pany. Another explosion occurred and he got up and ran again. He was still too far away for us to get to him."

Scifres ran to the front gate near the entrance of the company and fell to the ground, according to reports.

"Charles (Brasher) pulled Preston's shirt from his body, but the fire was out," Fisher explained.

Meanwhile, fire units from Canyon Volunteer Fire Department and an ambulance from LaGrone Funeral Chapel were dispatched to the fire scene.

Tom Brasher was out of town when the fire began, but returned around 4 p.m.

"I had been in New Mexico on a fishing trip, and returned by way of Hereford," Brasher said. "They routed us off the highway but I couldn't see a fire. I went home and called down to find out what was happening."

While firemen fought the blaze for three hours, Canyon residents were asked to cut down on the use of water consumption until the fire could be brought under control.

The water alert was cancelled around 3:30 p.m.

Firemen worked in shifts of 10 minutes near the blaze. The intense heat warped a woven-wire fence some 50 feet from the tanks, and a telephone pole near the fence caught fire.

"The thing that saved us was those safety valves releasing pressure when the tanks began heating," said fire marshal Jack Jennings.

Huge jets of fire shot some 200 feet in the air immediately following the explosion as exhaust from the propane tanks' pressure valves spewed in the air.

A large blister had appeared on the side of the largest of the three tanks by Saturday morning.

"We want to commend the Canyon fire department members and law enforcement officers who worked so rapidly during the Friday afternoon fire," Tom Brasher said. "And we want to thank people who have helped us keep our business operating."

## Hail Hits Umbarger Sunday

Hail did heavy damage in an area west of Umbarger Sunday afternoon and evening.

Extensive damage to crops was reported on the Bill Bauer and Rudolph Friemel places.

Mrs. Bauer said marble-size hail fell at the Bauer place 2 1/2 miles west of Umbarger about 5 o'clock Sunday afternoon. She said cotton, now in the fruiting stage, was badly damaged.

Mrs. Bauer said the hail storm which struck the Bauer place seemed to have been small in scope.

Hail also was reported in the north part of Randall County Sunday. There was some hail at Canyon City Club late Sunday.

Commissioner Bill Butler, who has a house at Lake Stockton in the eastern part of the county, said light hail fell there.

A total of 1.79 inches of rain fell Saturday and Sunday at Buffalo Lake, according to officials at the wildlife refuge headquarters.

A Canyon insurance man said there was some hail at Dawn Saturday night.

Here at Canyon showers fell both Saturday and Sunday.

## Actor Emphasizes Fun To His Drama Students

BY LINDA LOVE

In the recent high school workshop production "Midsummer Night's Dream" the elfin Puck and the awkward Bottom frolicked and blundered their respective ways to the hearts of the audience.

The skill and fun which these two boys, sophomores last year at White Deer High School, contributed to the production earned a standing ovation of several minutes during repeated curtain calls at West Texas State University's Branding Iron Theatre.

Dramatic coach of the two young classmates the past year has been Ronnie Parks, West Texas State University graduate student. He has played major character roles during his career at WT and is now cast as the Old Actor in the coming musical "The Fantasticks." Parks appears in "Thundering Sounds of the West" as well.

The White Deer students and Parks, who was also in the workshop production, are no strangers to Shakespeare. Their "Macbeth" won state dramatic contest this year under Parks' direction.

David Hefner, who played the light role of Puck at WT, portrayed the dramatic title character in the state meet and was chosen as a member of the All Star Cast. Lady Macbeth was named Best Actress at the contest.

Essence of the students' success seems to be enjoyment of their roles. The obvious good time had by Puck and Bottom (Roger Simmons) was catching, and the audience enjoyed themselves, too.

"Drama is useless unless it is fun," stressed Parks, whose home town is Paducah. "It is a form of entertainment and to survive it must provide enjoyment. I think the 'message' plays are overbalancing drama, and the public is getting tired of all the preaching."

"These things that are way out in left field aren't giving the people what they're after, which is pleasant relaxation and a way to forget their cares for a while."

This idea of fun among the entertainers was put to good use in preparing the heavy "Macbeth" for contest.

"We began rehearsal the end of January, but our first contest wasn't until March 22," he said. "This meant we had to find a change of pace to keep up the enthusiasm. So one day we might decide to sing all the lines, or perhaps we'd go outside to rehearse. And then the next day we might become highly melodramatic, in the grand, cape-swishing Elizabethan style."

Parks was at first unsure of the male lead in "Macbeth." "David is short and naturally blond and had always played light roles. So I cast him as a heavy in a mystery we did last fall, and he was fine. By the time we darkened his hair he fit the roll very well."

Hefner returned to his earlier types for the part of Puck, and the amount of movement necessary to convey the sprite's character was easily handled after his two years of ballet study. Simmons' portrayal of Bottom was also made outstanding by the great deal of motion he used.

"I try to emphasize how important motion is. So often today, actors read their lines

and do little more, depending on the dialogue to put the story across. Part of the fault rests with those 'modern' dramas. They put such emphasis on dialogue, and so little on action or plot."

"But I think an audience appreciates a story more if the characters understand what they're saying and play it naturally. That's probably why the judges liked our 'Macbeth.' By the time the kids understood it fully they could deliver the lines as if they meant them. They could give them some life."

Parks' love of movement can become frustrating in his own acting. "I play nearly always an old character, so I have to hold myself back, moving very slowly. I guess the discipline's good, but it is frustrating. That's why I like my role in 'The Fantasticks' so well."

In the play, which will be presented at WT August 19-21, Parks plays an old Shakespearean actor who drags the boy off to see the world.

"Even though he's old, the fact that he's a Shakespearean actor makes the role limitless in interpretation," said Parks with an enthusiastic smile. "To me he and his friend are the only 'real' people in the story, the only ones who represent the world itself. The others are too caught up in other things."

Parks' favorite role was his portrayal of Colonel Pickering in "My Fair Lady." He prefers doing musicals, although he doesn't always have a musical part. In the upcoming play, for instance, his is one of the few non-singing roles.

"This is one of the most musical musicals I've ever seen, and the songs are really beautiful. The most popular ones are 'Try to Remember' and 'They Were You,' of course, but one of my favorites is the girl's song, 'Much More.'"

"They're hard to do, though, because they're all story songs. The words must be completely understandable to the audience. They're important to the development of the play."

Another thing the actors are finding difficult about the play, according to Parks, is the freedom of interpretation they're given. Used to having their stage movements blocked for them and being directed in detail, the players find it hard to manipulate on their own. "But it's certainly great experience," he admitted.

Parks leaned forward slightly. "I'm really looking forward to doing this show. It has some wonderful lines in it, and we play it as it's intended--strictly for fun."

In spite of his enthusiasm the young teacher did not become interested in speech work until college. An English major, he played in the WT band and first encountered college drama when he tried out for "Guys and Dolls."

Since then he has performed in ten other productions, including "Pygmalion," "Belvedere," "Cinderella" and "Merry Wives of Windsor." He is a member of Alpha Psi Omega, national honorary dramatics fraternity for university students, and the local thespian group Buffalo Masquers.

"My wife, Diane Rogers Parks from El Paso, and I met when we were cast as man and wife in 'The Music Man.' Then she played Mrs. Higgins in 'My Fair Lady.' We were married

last Thanksgiving."

Mrs. Parks was originally a speech and English major but has changed to elementary education.

Parks is now working toward his Master of Arts degree, writing his thesis on the history of WT dramatic productions since 1946. He plans to teach high school and eventually college speech.

"It would take a long time to become bored with high school speech, however. It's very interesting and challenging, especially working with so many different types."

In the immediate future Parks will teach this fall and, in January, enter the service, where he will be stationed in Indianapolis with the Adjutant General Corps.

"I'd like to try to get into Special Services, entertaining troops," he added. "But Indianapolis does have a good Little Theatre, and I hope to help with that."

Parks' support of Little Theatre includes at present his work in "Thundering Sounds of the West," where he alternates with Gary Tydings of Amarillo as storekeeper. When not in that role he plays a part in the village sequence.

"We all do a little of everything there. In the beginning I played the part of the Indian on the mountain."

"That's one thing that's so fine about the WT drama department, too. Everyone does whatever needs to be done. When an actor isn't rehearsing on stage he goes back to work on his costume. This teamwork prevents anyone's developing a star complex, and we've had very few of those at WT. It saves a lot of time and trouble."

Two other points of personal interest enter into his work in the canyon production. One is his enjoyment of outdoor drama.

"I love the freedom of movement on an outdoor stage. But more than that, the audience response is so much greater. People feel more at ease and more comfortable in the informal surroundings. And there's something about the huge cliff and the stars and everything that adds so much."

Combined with this is the fact that Parks' grandfather, G.T. Colgrove, was an early settler of the Panhandle. He worked in the first store at White Deer, a combination cafe and barbershop, and with the wheat harvest.

"I enjoyed teaching at White Deer that much more, because my mother graduated from high school there."

Although it is a small town, said Parks, White Deer supports strongly all music and speech activities. "And it's the support of the people that makes or breaks any cultural effort in a community," he stressed.

"Because of their interest there is a very active summer theater now in White Deer. It was begun by Roger Simmons' mother. She and her three brothers all were in school at WT, where the boys were billed in everything as The Bates Brothers. When she married, her husband became part of the group too," he explained.

Parks hopes to continue working as much as possible with both Children's Theatre and Little Theatre throughout his career.

## Cross Quartet

Echoes of the Cross Quartet will provide a gospel singing concert at Faith Chapel in Canyon Monday evening at 7:30 p.m. The group from Stockton, California includes left to right, Dale Ditto, Russell Peck, Bill Patterson, and Bob Taylor. Also appearing in the Monday concert will be the Adair Sisters of Canyon.

# Young Scientists Find Fun While Fishin' For Knowledge

BY LINDA LOVE

What would you do if you went fishing but couldn't take anything with you--no bait or pole or line or hook?

Chances are you just wouldn't fish. Unless, of course, you were a member of the special science classes being conducted for elementary school children by Dr. Burl Brim of West Texas State University.

The ten young members of this unique "science through discovery" course are learning about life around them by meeting it face to face. To say that the program is proving exciting to students, parents and instructors is to make a great understatement.

As students returned from their fishing trip and settled down enough to admire one another's crayfish and catfish, Dr. Brim described this most recent adventure of the class.

"It's easy enough in a regular class to tell someone how the Indians lived, or how difficult

it is to make a simple thing like a fish hook. But they're not going to know by hearing it or reading about it. They won't know what a thing is until they experience it themselves.

"That's what we've tried to give them this summer. We've simply tried to substitute the real things for the images they're always given but never fully absorb. So we get out into the world and look at things and touch them and smell them."

It was this approach that made it natural for the youngsters to go down to the creek and literally start from scratch. They had been hearing about the Indians in the early days, so they decided to become "Indians" themselves.

"The first thing, of course, was to make something to fish with," said Brim. "They used branches for the poles and made fish hooks from sticks, too."

"Yes, we cheated a little; we took a knife," volunteered one

young fellow.

"Yes, we did take a knife," agreed Brim. "But once the poles were made we needed a line and--even harder--we needed some way to fasten it all together. So they used plant fiber, then used some willow fiber for fastening it."

"The most interesting problem was probably the bait. They had to catch it themselves, of course. Some of the most accomplished students, academically speaking, had the hardest time catching their bait, but by the second morning everyone was catching on."

While the instructors provide necessary help, students are left to work out their problems themselves. "We just ignored the ones who were having trouble getting ready to fish," said Brim. "However, there were a few comments here and there of 'Boy, it's sure gonna be hungry at your tepee tonight.'"

This has turned out to be one of the most important lessons of

the science course. Children accustomed to being told and shown what to do become much more dependent upon anything which seems to offer aid, and their own skills and perception are dulled in the process.

"You can't imagine the great feeling of responsibility and the wonderful self-confidence which can come from catching your own grasshopper to bait your hook," said Brim.

"These kids are bright and anxious to learn if we can give them something real enough to gain their interest."

"We started out with the intention of studying the different kinds of wildlife and such in this area. In the classroom an explanation of classification goes in one ear and out the other. But the kids started finding butterflies that were similar but not identical and wondering why, and before long we were beginning to remember the different types of insect."

As Brim spoke, several members of the class stepped up eagerly to point out the butterfly and insect collections made. This started a parade of jars and microscope slides and prisms.

A mother walked into the room and was greeted by her youngster, proudly bearing a stick, over which was draped a small rattlesnake--dead, of course. A little girl looked up from the microscope to her partner at the typewriter, asking "How do you spell paramcium?"

The mother admired the rattlesnake from a greater distance, then commented, "I have two kids in here, and they've never enjoyed anything so much."

"When we first began I was a little concerned, because I knew I would have to relax a great many controls. But everyone is so interested and enthusiastic there has been no trouble at all," Brim said.

"The greatest difficulty has been in restraining myself from helping or explaining when I shouldn't. But I'm learning--in so many ways. And now I catch myself and keep quiet so they can find out for themselves."

Consequently the air is usually filled with excited or awestruck cries of "Look" and "Why..." and "What would happen if..."

The answers are likely to come back in the same line of thought: how would they find out or who will look it up, or simply "Try it."

The children show a great amount of concern for the life they study. The intense curiosity and wonder is tempered only by a regard for this life, and most of the time the concern results in greater learning.

"We're not forcing them to memorize," explained assistant Jacob "Jake" Trevino, WT sophomore from Lorenzo, Texas. "And while we do ask

TOTING FISHING POLES THEY MADE themselves, these members of the special science class are ready for another fishing trip. Kneeling, left to right, are Marsha Eubanks, Laurie Hales and Susan Cox. Standing, left to right, are Gary Hale, Karen Romoser, Scott Anderson, Burl Brim, Jr., Tom Allen, John Denton and Shelly Brim. Instructors are Dr. Burl Brim and Jacob Trevino. In John Denton's hand is the newest member of the group, a turtle named Herman, whose diet runs from apple peelings to raw or cooked meat.

them questions after we finish studying something, the answers are always voluntary. It's not like a regular test, and because they don't have to do these things, they enjoy them and remember it all."

The class clustered about, anxious to begin their trip to Panhandle-Plains Historical Museum.

"Everyone's been very cooperative," said Brim. "We try to do things logically, as they come up, rather than trying to plan them rigidly. Sometimes I'll decide the afternoon or evening before that we're ready for a certain trip, and I'll call the person in charge. They've been most cooperative about this."

Among planned trips the class intends to visit Palo Duro Canyon and Amarillo Air Force Base. At the base they will see the insides of the planes and tour the airport. The National Aeronautical Space Administration "Space Mobile" will be on campus the final week of the class, and the ten boys

and girls will see it, too.

There are other tentative plans, such as a trip to a fish hatchery, and a promised fishing exhibition to a private lake, "where we will refine our fishing techniques somewhat," added Brim.

The morning classes are scheduled to end at noon but seldom do. They are held in the Petruccione Kindergarten Building across from Canyon Elementary School, and the classroom is completely equipped for any special science projects. The course will run through August 26.

Brim is looking forward to continuing his new class next summer. "I've learned that so much can be done to bring this to the children in a way that is extremely rewarding to both them and me. We've begun to help them distinguish the real thing from the image they're handed all too often as a substitute, and it's very interesting

to me."

A small voice managed barely to make itself heard above the others. "Is this really going to be in the paper?"

"Yes, it is."

The clamor increased, but the little voice blurted out bravely, "Tell them I'm enjoying it."

Visiting with the E. R. Trimbles last week was Miss Marilyn Mitchell of Dumas. Miss Mitchell also visited other friends in Canyon.

#### Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 27 proposing an Amendment to the Constitution of the State of Texas, amending Article III of the Constitution of the State of Texas by adding a new Section thereto to be designated Section 48b, so as to create as an agency of the State of Texas the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subjects of investment, subject to certain restrictions stated therein and such other restrictions as may hereafter be provided by law; providing that such Amendment shall be self-enacting and shall not alter, amend or repeal Section 48a of Article III of the Constitution of Texas or any legislation passed pursuant thereto except insofar as such legislation may limit or restrict the provisions of this Amendment; providing for the necessary election, form of ballot, proclamation, and publication.

#### BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows: "Section 48b. There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, trade, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any

enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 2, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

"AGAINST the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

## Study Club Fashions Feature Schoolwear

"Back-to-School" was the theme for a children's fashion show sponsored by the Canyon Study Club last Thursday evening at Rex Reeves Elementary School.

Approximately 150 persons were in attendance for the fashion program.

Mrs. Stan Elliott, narrator, was sitting at a school desk portraying the teacher. Framing the setting were an oversized pencil and school tablet featuring a scrawled picture of the teacher.

The modeling platform was set to the front of the stage leading to a walking ramp where the viewers could have a closer look at the fashions which were provided by Chadwick's of Canyon.

Mrs. Dick Dawdy served as accompanist for the fashion show which featured children as

## Ceremonies Unite Couple

White stock and blue carnations decorated the altar of First Presbyterian Church of Borger for the recent wedding of Miss Martha Susan Benz and Joseph William Hayes, Jr.

Mr. and Mrs. Lewis Walter Benz of Borger are parents of the bride. Parents of the bridegroom are Mr. and Mrs. Joe W. Hayes of Phillips.

The double ring wedding was solemnized by the Rev. Roy Neal Byrd officiating. Mrs. H.L. Wendel, organist, presented a program of traditional wedding selections.

The bride's sister, Mrs. Marlin E. Scheib of Tampa, Florida, was matron of honor and Aubrey Wright Perry of Dallas was best man for the ceremony.

Given in marriage by her father, the bride wore a white linen sheath dress. Her veil of French silk illusion was held by a crown of pearls, and she carried a bridal bouquet of yellow rosebuds cresting a white Bible.

A brunch was held in the home of the bride's parents immediately following the nuptial service.

The bride is a Borger High School graduate and the bridegroom graduated from Phillips High School. Both plan to attend West Texas State University in Canyon this fall.

## Coffee Fetes Miss Lowes

An afternoon coffee honoring Miss Linda Lowes, bride-elect of John Hatchel, was held last Friday in the home of Mrs. R.A. Neblett.

Receiving guests for the occasion were the honoree, her mother, Mrs. Delbert Lowes, and mother of the prospective bridegroom, Mrs. B. Hatchel of Denver City.

Registering guests for the occasion was Miss Elaine Louder. Serving guests at the affair were Sharon Read and Cathy Koch.

A crystal vase was presented to the honoree by the hostesses who were Mrs. Neblett, Mrs. Newton Starnes, Mrs. Iverson Leake and Mrs. Felix Pierce.

models. Participating as models were Cynthia Brasher, Stephanie Raymond, Robert Byrd, Nina Wood, Rhona Dale Ray, Tracy Byrd, Sheri Risner, Stephanie Thompson, Kelly Cox, and Stephanie Dawdy.

Others were Brad, Bryan and Blair Garner, Kristi Sheffy, Pancho Russell, Jana Cranmer, Chad Hawkins, Pete and Jeff Brown, Michael Clapp, Patti Lynn Guy, Paul Wood, Stanley Cranmer, Cynthia Byars, Kelly Hawkins, Debbie White, and Kay Hawkins.

Miss Mary Lou Johnson was a special guest of the Canyon Study Club for the fashion program. Miss Johnson, a sophomore mathematics major at West Texas State University, is attending the university on her second year scholarship from the club.

Some 18 door prizes were awarded during the evening under the direction of Mrs. Gary Garner, prize chairman.

Overall chairman for the fashion show was Mrs. Elton Cox. Assisting with the event were Mrs. Jim Russell, publicity; and Mrs. Don Ray, program.

An "out-of-business" lemonade stand was used to serve refreshments after the program. Mrs. Johnny Raymond, refreshment chairman, was assisted by Mrs. Walter Cranmer.

## Engagement Told

Nuptial vows are planned for September 18, in Waco for Miss Nita Faye Cartwright and Ira Peak, Jr. The bride-elect is the daughter of Russell Cartwright of Austin and Mrs. Kenneth Bradshaw of Amarillo. Her fiancé's parents are Dr. and Mrs. Ira H. Peak of Shreveport, Louisiana. Miss Cartwright graduated with a B.S. degree from West Texas State University and was a member of Zeta Tau Alpha social sorority and served as cheerleader for two years. The prospective bridegroom attended Louisiana College in Pineville, Louisiana and graduated from Baylor University in Waco with a B.A. degree. He was a Chamber of Commerce member, B.R.H. choir, Phi Sigma Tau and is presently youth director at Seventh and James Baptist Church in Waco.

# Double Ring Vows Read In Ceremony

Nuptial vows for Miss Leola Dorine Guillory of Pampa and Richard Curry Campsey of Canyon were read in formal ceremonies July 10th at the Church of Jesus Christ of Latter Day Saints in Amarillo.

Double ring vows were pronounced by H.B. Pinkard, president of the district.

The bride's grandparents are Dr. and Mrs. H.J. Loveless of Pampa. Mrs. Lois Campsey of Canyon is the bridegroom's mother.

Traditional wedding music was presented by Mrs. Shirley Nielson at the organ as she presented the prelude, wedding marches, and recessional.

Bridal attendant was Miss Janet Thompson of Pampa as bridesmaid. She was attired in a pink cotton dress featuring an embroidered bodice with permanent pleated skirt and elbow-length sleeves. The ensemble was complemented with a pink pillbox hat centered with a teardrop of pearls and veil of pink illusion. She wore a corsage of white carnations. Edwin R. Campsey of Amarillo was best man for the wedding ceremony.

Dr. H.J. Loveless of Pampa, the bride's grandfather, gave

the bride in marriage. Her wedding dress was of chantilly lace and satin with a fitted bodice of lace which was trimmed with pearl droplets. The neckline was a scoop style and the lace sleeves terminated in petal points above the hands. The satin skirt was street length.

She wore a shoulder length veil of white illusion secured to a white lily and carried a bouquet of white orchids and carnations atop a white Bible.

A reception honoring the couple was held later at the recreation hall of the church. Guests were registered by Miss Janet Thompson of Pampa.

Serving cake for the reception was Mrs. L.B. Royles of Pampa with Mrs. Douglas Ward presiding at the punch bowl. Following a wedding trip to

## Social Events Deadline Told

Women's page department for The Canyon News has a deadline of 10 a.m. each Tuesday for social events and club meetings.

All clubs and organizations are urged to provide the social editor with year-books for the current season as soon as possible.

Engagement and wedding reports with pictures should be turned into the society editor by 5 p.m. Monday. Pictures should be black and white glossy prints preferred in 5x7 or 8x10.

All personal studio pictures are filed to be picked up after the report is printed.

Wedding blanks are available at The News office.

## Billingtons Hold Reunion

The Billington family reunion was held at Ellwood Park in Amarillo Sunday afternoon.

Those attending the affair from Canyon were Mr. and Mrs. W.M. Nickell and children, Jerry, Gerry, Sharon and Tracie, Mrs. B.J. Bumgarner, Mr. and Mrs. E.S. Billington, and Mrs. Zora Campbell.

## Pre-Nuptial Event Fetes Miss Weaver

A bridal shower honoring Miss Vicki Ann Weaver was held last Tuesday evening in the home of Mrs. Battle Harris.

Miss Weaver will become the bride of Terry Funk in nuptial ceremonies planned for August 14 in the First Baptist Church of Canyon.

Receiving guests between the hours of 7 and 9 p.m. were Mrs. Harris, hostess, Miss Weaver, honoree, Mrs. D. R. Weaver, mother of the bride-elect, and mother of the prospective bridegroom, Mrs. Dory Funk, Sr.

Miss Karen Brewster presided at the registration table as approximately 60 guests signed the bride's book.

The bride-elect's chosen colors of pink and white were used to decorate the home with the

serving table being covered with a pink cloth and frosted with a white floorlength net.

Centering the table was a bridal arrangement of pink and white asters and chrysanthemums. Pink tapers banded with pink net were held in crystal candelabrum. Crystal appointments were used to serve the punch, cake squares, nuts and mints.

Mrs. Wilton Manley served the cake while Mrs. Baxter Callaway presided at the punch bowl.

The honoree was presented with an electric toaster and piece of her selected pottery by the hostesses who were Mesdames Battle Harris, L. W. Austin, Murray Boston, Wesley Cox, Homer Dockery, D. C. Gamble, Oscar Hinger, J. W. Hood, C. L. Key, Ed Kuehn, Bill Patke, Roscoe Richardson, Joe Whittington, Henry Wiggins, W. A. Wilson and E. H. Wright.

## WOW's Hold Monday Meet

Seven members of the Win-Over-Weight Club met with Mrs. Ruth Ann Brillhart Monday evening.

At the weigh-in there was a total gain of 9 pounds and a loss of 4.

Members were entertained with games of rummy. The next meeting will be next Monday evening at 7:30 in the home of Mrs. Jack Parsons, 700 21st Street.

## Capers Have Square Dance

Canyon Capers sponsored the street dance for the Randall County Celebration last weekend and several out of town square dance clubs joined in the activities.

Callers for the evening were Knox Day, Ervin Davis, Jack Grimes, Roy Johnson, Aubrey Brown of Amarillo and Bill Scott of Port Arthur.

Monday evening the club held their regular meeting with guests visiting from Levis and Lace, Reddy Squares, Hi-Plains Promenaders of Amarillo, Six Gun City Squares, and Whirlwind Squares of Port Arthur.

Other guests for the meeting were Mr. and Mrs. Wilson Armstrong of Amarillo and Strawberry and Louise Williams of Canyon.

Present for the occasion were Mesdames Pauline Bonnie, J. M. Daugherty, E. R. Cleavinger, Dewey Foster, S. B. Louder, Gladys Marshall, C. M. Presley, Dudley Moore, Joe Frank and Tom Knighton.

During the month of August, many bridal parties and showers are being held in Canyon to honor various bride-elects and their fiancés. Opening gifts at a shower last Tuesday is Miss Linda Lowes, daughter of Mr. and Mrs. Delbert Lowes, who will become the bride of John Hatchel in ceremonies planned for August 28. The shower honoring Miss Lowes was held in the R. D. Wheelock home.

## Courtesies Fete Miss Linda Lowes

Miss Linda Lowes, bride-elect of John Hatchel, was honored at an afternoon miscellaneous bridal shower in the R. D. Wheelock home last Tuesday.

Miss Lowes, daughter of Mr. and Mrs. Delbert Lowes, will marry her fiancé in nuptial rites set for August 28th.

The afternoon social affair was held between the hours of 4 and 6 p.m. with guests being received by Mrs. Wheelock, hostess, Miss Lowes, honoree, Mrs. Delbert Lowes, mother of the bride-elect, and Mrs. B. Hatchel, the prospective bridegroom's mother.

Registering guests at the affair was Dr. Ruth Lowes, aunt of the bride. Displaying gifts for the shower was the bride's cousin, Kathy Koch.

During the afternoon receiving hours musical numbers were played in the background by Misses Lynn Larson and Dorothy Higdon. Presiding at the serving table during the afternoon were Mrs. C.C. Jones and Mrs. Dan Sanders.

Present from Canyon were Mr. and Mrs. Charles Bewley, Mr. and Mrs. R.T. Furlow and Mrs. Donie Collins.

## Clifton's Tell

### Son's Birth

Mr. and Mrs. Jackie Clifton announce the August 6th birth of a son, Jay Brent.

Born at Neblett Hospital and Clinic in Canyon, the baby weighed 8 pounds, 6 ounces.

The infant has one brother, Darrin Mark.

Grandparents are Mr. and Mrs. C.L. McShan of Muleshoe and Mr. and Mrs. Jack Clifton of Dumas.

RETIRED MISSIONARY, Miss Bessie Franc Brown, left, was guest speaker for a meeting of the United Churchwomen of Canyon last Friday afternoon. Inspecting a Japanese lettered cloth with Miss Brown is Mrs. Madge Culbertson of Canyon.

## Churchwomen Hold Annual Fellowship

United Churchwomen of Canyon held their annual summer meeting last Friday with a retired missionary, Miss Bessie Franc Brown, as guest speaker.

Miss Brown gave several vocal selections from the missionary states she had served including Japan and the Navajo reservation in Arizona. She also displayed a variety of native items from the missionary states during her afternoon talk.

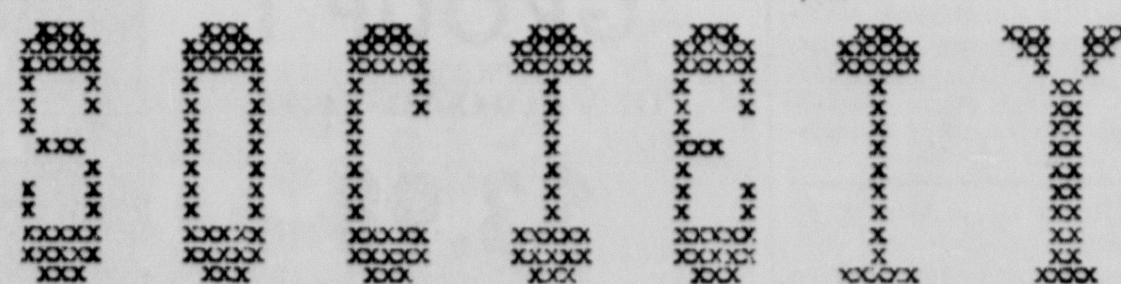

Following the speech, members of the United Churchwomen held a short business session to elect officers and plan the annual senior citizens party.

Mrs. John B. Wilson was elected president of the United Churchwomen. Other officers elected were Mrs. Velton Sorgee, vice president; Mrs. Dan Tarpley, secretary; and Mrs. Marion Higdon, treasurer.

The senior citizens party was set for August 19th when UCW members and assistants will treat the senior citizens of Canyon and Randall County to the summer production "Thundering Sounds of the West" which is being held nightly at Pioneer Amphitheatre in Palo Duro Canyon.

Tickets and transportation are needed by the group according to Mrs. George de-Schweinitz. Persons wishing to donate either should contact the First Methodist Church secretary, OLS-3540, or Mrs. de-Schweinitz, OLS-2572.

"We'll need about 20 cars and drivers," said Mrs. de-Schweinitz. The project will include picking up senior citizens about 6:45 p.m. and entering the park gate at 7:30 p.m. Parking and seating will be reserved for the affair.

# Pasties Recipe Favorite Of Mrs. R.B. Richardson

BY LORENA MILLER  
Mrs. R. B. Richardson, better known as Lee, shares her favorite family recipe for pasties with our readers this week. The mother of three sons, Mrs. Richardson has developed an interest in sports of all types which she lists as her favorite hobby.

"Sports and lake outings keep me busy," comments Mrs. Richardson.

"We entertain outdoors a lot with backyard barbecues and games," said Mrs. Richardson.

Mrs. Richardson is the daughter of Mr. and Mrs. W. B. Ford of Amarillo and has two sisters and a brother including Mrs. R. D. Pillow and Mrs. O. R. Marshall of Indio, California and H. C. Ford of Amarillo.

A graduate of Amarillo High School, Mrs. Richardson and her husband were married in 1940. Her husband's parents are Mr. and Mrs. G. T. Richardson of Amarillo.

Richardson's brothers and sisters reside in the Texas Panhandle. They include Mrs. Frank Begert of Umparger, Mrs. C. L. Hooper and Mrs. Carl Weidling, both of Amarillo, C. G. Richardson of Vega, Gene Richardson of Umparger, and Dr. O. J. Richardson of Dumas.

Richardson graduated from Allison High School. He is owner and operator of Umparger Farm Supply and the couple lived in Umparger until about three years ago when they moved their family to 2903 Conner Drive in Canyon.

"Roscoe really likes sports," said Mrs. Richardson. "He spends a lot of free evenings during the summer umpiring for Little League games in Canyon."

"With three boys interested in and playing football, basketball and the like you can imagine that we watch an awful lot of ballgames," Mrs. Richardson smiled.

Jerry, oldest son of the Richardsons, graduated from Canyon High School and West Texas State University where he majored in business. Jerry now plays professional football with the Los Angeles Rams and is married to the former Jo Williamson.

A sophomore at West Texas State University, Jodie plays basketball and is majoring in physical education. He also graduated from Canyon High School.

The Richardson's youngest son, Strohmeyers Visit Arizona

Mr. and Mrs. R.M. Strohmeyer have recently made a trip to Indian Wells, Arizona to take a load of clothing to the mission there.

The Strohmeyers were delivering an assortment of clothing collected by the Assembly of God Church in Canyon. They returned through New Mexico where they went sightseeing.

Visiting with the Jack Walker family recently was her sister's family, Mr. and Mrs. George Vineyard, and sons, Randy and Scott, of Midland. A friend of the Vineyards, Dee Wood, accompanied the family to Canyon.

son, Ricky, is interested in all phases of sports including swimming, fishing and football like his older brothers. Ricky, 12, will be a seventh grade student at Canyon Junior High this fall.

Church membership of the Richardson family is with the First Baptist Church of Canyon.

Mrs. Richardson stated that "her family always perks up when they smell pasties baking for supper."

The dish combines vegetables and meat for a one dish meal which may be completed with a tossed green salad.

"Hamburger meat proves extra juicy," said Mrs. Richardson, "so I usually use roast pieces diced or steak strips. In the dough I use a little less

shortening than for regular pie dough so that the crust will be a little stiffer."

Amounts given are for one individual meat pie and proportions may be regulated for those you will be serving. Her recipe follows:

## PASTIES

1 cup uncooked diced beef  
1 cup uncooked diced potatoes  
1 Tbsp. diced onions  
1 Tbsp. meat drippings  
salt and pepper to taste

Fold corners of crust up and over to cover meat. Bake at 375 degrees for about 45 minutes. This dish may be served with a hot sauce or tomato catsup and with a green salad. Easy to prepare, the meal may be prepared early in the day.

MEAT PASTIES are a family favorite of the R. B. Richardson family and are shared this week with our readers by Mrs. Richardson. Mrs. Richardson comments that the dish may be prepared following the noon meal and will be ready to pop in the oven for a quick supper.

# Bronc Ridin' Grandma Trains Almost Any Kind Of Animal

BY LINDA LOVE

Bronc rider Grandma Reynolds, 68, is best known for her training of horses, but her animal students include cats, from bobcat to polecat and a turtle and Dachshund as well.

Grandma has received the bronze medallion given as the Puss 'n' Boots Citation for her work with cats.

She shows films of their performances but does not show the cats themselves. "They'll do all kinds of tricks at home but refuse to perform away from home," she explained with a good-humored shake of her head.

"I had four cats that could do 22 tricks," said Grandma, "but three of them died within a period of two weeks, and now I just have the one trained cat left."

"The bobcat I had to let go, though. I got him when he was a couple of months old--his name was Groucho--and turned him loose about two months later."

"I taught him to sit at a little toy piano and 'play' it. Then one day I came home and found he'd gotten loose and gone straight to the piano and chewed up the legs of both piano and bench. He was getting his revenge; no question about it."

"But after a while he began to get too contrary. He started taking my grandson's food, for instance. Yes, Groucho was quite an experience."

Groucho wasn't the only piano player in the bunch. Grandma had traded her piano to her daughter Jackie for her grandson to play, in exchange for the toy.

This musical skill was shared by a skunk, caught and named Pepe Le Piu by Grandma's young granddaughter. Pepe played not only the piano but the ukelin as well.

"Then I found out that the ukelin was a valuable old Russian instrument, and I decided my pets could do just as well with a banjo. But they'd already banged up the ukelin a lot."

It turned out that Pepe was a triple-threat performer; that is, she could dance, too. Grandma taught her to waltz on her hind legs.

"But she was so fat that she just waddled around after a

while," laughed Grandma. "She was cute, and she'd get down and romp with the cats."

Another dancer was a pet Dachshund. He waltzed also, but apparently never teamed up with Pepe.

"His name was von Thurstenburger, so we called him 'Bomber' for short," Grandma added quickly. "He was the only dog I've ever tried to train."

Grandma stresses the importance of patience in training all her animals.

"I guess my most unusual work was with a terrapin. It took me about two weeks, but I was able to teach him to come every time I called 'Come here!'"

"No one believes it, though. One day my daughter came to see me, so I took her with me out to the back door. I stuck my head out and called 'Come here' and before long here came the terrapin out of the barn. My daughter was astonished, but I still have trouble getting people to believe me."

"Not long after that we moved the house, and I think the bulldozers account for our never having seen him again. So I didn't have a chance to see what else I could teach him."

Grandma's training of horses doesn't always take so long. "One winter day I was riding along a road when I wanted to take my handkerchief out of my pocket. My horse was a little spooky, so I stopped her, then took out my handkerchief."

"Well, we continued on down the road, and the next time

Presbyterians Plan Picnic

The annual summer picnic for members of the First Presbyterian Church will be held Sunday, August 15th, at Conner Park in Canyon.

Games, contests, and swimming will highlight the all-church picnic which starts at 4 p.m.

Drinks and watermelon for the supper will be furnished by deacons of the church. Members of the church are asked to bring covered dishes, silverware and plates for the affair.

Transportation will be furnished for those who need it if they will contact the church office, OLS-3676 or any deacon of the church.

Two Teachers At Workshop

Two members of the Canyon Classroom Teachers Association have returned from the annual summer meeting of the Texas Classroom Teachers Association held in Austin.

The two day session was attended by some 400 high school teachers from throughout Texas.

Attending from Canyon were Mr. and Mrs. Bryce Slack and Mrs. T. E. Beard. The group held workshops on programs, membership, publicity and other phases of work.

Slack is treasurer for the local Classroom Teachers Association and Mrs. Beard is first vice president and program chairman.

Mrs. Beard will be librarian for Gene Howe Elementary in South Amarillo.

Slack is a sixth grade teacher at Rex Reeves Elementary School in Canyon and Mrs. Slack is a member of the Amarillo Classroom Teachers Association.

Guests of Mr. and Mrs. C.N. Tippery and family this week are Charlie Williams and Buster Tippery of California.

# Electric Homes Open House

Two Canyon homes will be featured in Reddy's Total Electric Home Fair August 15 through August 22, according to Joe Gidden, district manager of Canyon district of Southwestern Public Service Company. Canyon is one of 12 cities in the 45,000 square mile service area of the company which are participating in the Total Electric Fair, said Gidden. The area covers the Texas Panhandle, Pecos Valley of New Mexico, and a part of Kansas.

Both homes involved in the open house show are in Hunsley Hills. RAR Homes of Canyon built the all-electric home at 13 Country Club Drive, while at 22 Hunsley Hills Blvd., the Sam Roberts Construction Company of Amarillo has erected a total electric residence. The homes will be open to visitors from 2-6 p.m. each of the two Sundays and from 6-8 p.m. each weekday during the Home Fair.

Visitors who are 18 years old or married and live in the service area, said Gidden, may register for the 101 prizes being offered. The prizes will be on display throughout the area. Among major prizes being offered are a color television set, three electric ranges and a two-door freezer-refrigerator. There will also be 96 prizes of smaller electric appliances, such as fry pans, blenders, vacuum cleaners and others.

"There have been 14 Gold Medallion, or totally electric, homes constructed in Canyon in the past five years," said Gidden. "Hunsley Hills is the newest development in the area, and we are very happy to show the people these two fine homes."

The RAR home on Country Club Drive features baseboard electric heating, refrigerated air conditioning and electric water heating. The kitchen has an electronic oven, built-in range, food waste disposer and dishwasher. The home is wired and plumbed for electric clothes dryer and washer.

A three-bedroom, two and a half-bath home, the house boasts walk-in closets, wood-burning fireplace and covered patio, among other features.

The Hunsley Hills Boulevard residence built by Sam Roberts is of French Provincial design with a white face brick exterior. It has three bedrooms and a family room, woodburning fireplace, and a number of

the rooms open onto a covered patio.

Both homes have nylon carpeting. Facilities in the latter home are similar to those in the former.

Representatives of the builders and of Southwestern Public Service Company will be at both homes during the show hours to assist visitors in their tours of the total electric homes.

Hunsley Hills is the first subdivision in Texas, with all power facilities buried. "It is planned as the new community to provide the new mode of living," explained developer Arch Hunsley.

"We have the only completed planned subdivision in this area. There are more than 2,000 potential lots in Hunsley Hills, with plans for apartments, churches, recreation and such."

Construction in the subdivision has been diversified, said Hunsley, as evident from the two homes featured in the fair.

RAR Homes of Canyon is involved in home and light commercial construction. It was begun in 1960 and is directed by Harold Root, Norris Root and Joe Abbott.

"We have built two or three completely electric homes in the last year or two," said Harold Root. "Our main reasons for choosing a Gold Medallion home were probably the simplicity in control of living conditions, and the cleanliness of electricity."

Hunsley agreed with the convenience of individual room control. "If one person requires a lot of heat and another one doesn't, this makes it possible for each to keep his own room tempered to his comfort. That way one person's welfare needn't make everyone else uncomfortable."

"This is the main point of our 'comfort living' through total electricity," said Gidden. "With individually controlled heating and cooling in each room, you can not only have a variety of conditions, but you can set it for one temperature year-round, and not have to bother with separate controls in hot and cold weather."

## Cars Collide, Two Men Hurt

Two men were injured in a two-car accident on Highway 60 four miles west of Canyon at 5:20 Sunday afternoon.

According to Highway Patrolman Bill Clifton, a 1960 Pontiac driven by Felix Delarosa, 30, of Laredo, attempted to pass a 1955 Ford pickup driven by Manuel Martinez, 35, of Amarillo. Clifton said Delarosa's car collided with the pickup. Martinez and Manuel Lopez, a passenger in the Delarosa car, were treated at Neblett Hospital for cuts and bruises. Clifton estimated damages at approximately \$500 to the Pontiac and \$150 to the pickup.

# Man Tours Country With Peddle Bike

BY LORENA MILLER

Sightseeing by bicycle in Canyon last week was William Hastings of Lawndale, California. Hastings, 50, was on his second cross-country bicycle trip and has been on the road since February this trip.

A retired cook, Hastings was in Canyon for several hours during which time he picked up bicycle parts at a local store, purchased food for his knapsack from a grocer, and went to a coin-operated laundromat to wash his clothes and shave.

"I find the people in Texas to be friendly but the policemen in the northern part are always checking me for identification and information," the bearded traveller said with a smile.

"Sometimes they can't believe that I'm an ordained minister and attended theological

dark then camp out on the nights when the weather will permit. When it is stormy I rent a motel room," Hastings said.

Strapped to the traveller's bicycle were a suitcase, a bed-roll, a coffee can and an electric razor which he uses when near a gas station. Also among the paraphernalia on the bicycle was a small travel iron which Hastings uses to press his clothing at his laundromat stops.

"I keep a supply of cook's uniforms, with me so I'm ready to work when it is necessary," Hastings related. "I usually like to work at truck stops because they have room and board plus a salary."

Hastings has been a general cook since 1934. During the depression he stated that he attended electrician's school in Chicago, Illinois and later went to work with a carnival as an electrician.

"I didn't make but about \$18 per week but it was enough to pay my way and save enough to buy a Model-A with cash," he laughed. During his years with the carnival he learned the cook's craft.

"On my first bicycle trip I went to the New England states and then down the eastern coast to Florida where I was side-swiped by a group of teenagers drag racing," Hastings said seriously.

"I had a motor bike then and it was wrecked, a man bought the motor for his go-cart and some nice folks helped me pick up my things--but the trouble was they also picked up about \$200," Hastings recalled.

"I went to work again and bought me another bike," Hastings said. "Tires are my main expense for the bicycle. I have to buy tires about every month and I use a heavy duty rim."

"I don't have much trouble with flats as I fill the tubes with sealer and it automatically seals most punctures," commented Hastings.

"I seldom have trouble with the bicycle chain because it is kept lubricated and when I can't buy the proper lubricant I substitute vaseline," Hastings said.

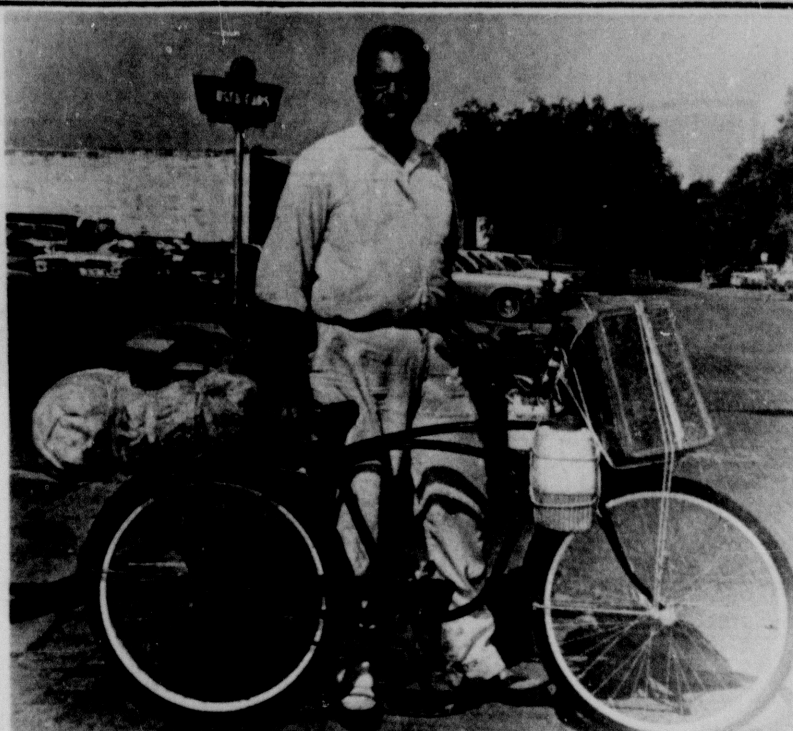

"Bicycling keeps me young," Hastings waved as he boarded his bicycle and was last seen travelling east down Fourth Avenue in Canyon.

## Garner Wins Swim Medals

Bradley Garner won two third place bronze medals in an AAU swimming meet held at Perryton last Saturday.

Bradley, 9, is the son of Mr. and Mrs. Gary Garner of Canyon.

Participating with the Amarillo Aquatics team, Garner won the medals for competition in two relay races.

BICYCLING CROSS-COUNTRY is William Hastings of Lawndale, California. The traveller stopped in Canyon for several hours last Thursday for bicycle repair parts from a local store, food for his knapsack from a local grocer and washed his clothes and shaved at an automatic laundry. The retired cook and ordained minister has been peddling his bicycle cross-country since early February.

## Troop 197 Holds Court Of Honor

Court of honor ceremonies for Boy Scout, Troop 197, were held Friday evening at the First Baptist Church of Canyon under the leadership of Newton Richardson, scoutmaster.

The scout color guard presented the procession with Archie Davis III conducting the opening program.

Life Badge Award was given to Archie Davis III after roll call by Hal Owen. Scoutmaster Richardson made the presentation.

Other awards presented included tenderfoot awards which were announced by Davis. Ronnie Harris, assistant scoutmaster, presented the awards to Byron Knowles and Johnny Bewley.

Davis gave the roll call for the second class awards which went to Benny Richardson, Ronald Hudson, Klaus Schaeffer, Lyle Denny and Byron Knowles. Mayor Clarence Thompson made the presentation of awards.

H. B. Owen made the presentation of swimming merit badges to Chris Tully, Klaus Schaeffer, Hal Owen and Ronald Hudson.

Ronald Hudson gave the roll call for first aid merit badges which were presented by Bob Hudson to Chris Tully, Archie

## Mrs. Long Is VHTAT Officer

Two area home economics teachers have returned from the Vocational Homemaking Teachers Association of Texas convention held in Dallas.

Attending the convention from Randall County were Mrs. Clara B. Long, home economics teacher at Canyon High School, and Mrs. Carlene Moore, Happy High School home economics teacher.

Mrs. Long was elected secretary-treasurer of the association Thursday at a board meeting. She also served as seating hostess at an awards dinner Tuesday evening and assisted with hospitality duties at coffees Monday and Wednesday mornings.

## Yearbook Pictures

School pictures for the Canyon High School yearbook are being made this week at Britain's Studio in Canyon.

Class pictures of sophomore boys and girls are being made this week. Pictures for juniors will be made the week of August 16-21.

Proofs will be available as soon as possible for selection to be used in the Canyon High School yearbook, according to Pat Britain.

## Gerber Resigns Football Post

William 'Butch' Gerber, assistant football coach at Littlefield High School for the past three years has resigned his post to become the number one football assistant at Ozona High School.

A graduate of West Texas State University, Gerber's duties at Littlefield included football, "B" team basketball coach and head golf coach.

Gerber his wife, Martha, and their son, Buddy, are moving to assume coaching duties prior to the start of the football practice at Ozona.

Farmer Browns of Canyon visited last week with his father C.B. Brown of Aztec, New Mexico and two brothers Polk and Harris Brown.

## Workshop For Cheerleaders

Cheerleaders for Canyon High School are attending a cheerleaders' school and workshop on the campus of Southern Methodist University in Dallas this week.

The training workshop will conclude Friday, August 13.

Attending from Canyon are Charollette Clark, Katie Upshaw, Janet Haggard and Darlene Williams.

## Youth-Led Revival At Happy

A 'youth-led' revival will be held at First Baptist Church of Happy beginning August 13. Richard Cheateam, a senior at Wayland Baptist College in Plainview, will be the evangelist. Cheateam has held over 100 youth revivals in Texas and New Mexico and is lauded as an outstanding speaker.

Services will begin at 8 p.m. each night with plans being made for fun and fellowship after the services which conclude August 15.

## Gene Morrisons Tour Colorado

Mr. and Mrs. Gene W. Morrison and son, Gene Vaughn, spent last week touring Colorado.

Highlights of the trip were seeing the Royal Gorge near Canon City, touring famous historical points at Leadville such as the Tabor Opera House, Healy House and the Little John Mine.

In Denver, the group saw the U.S. Mint and actually saw money being made from silver and copper. They also visited the Colorado state capitol building for a guided tour of offices and the senate and house chambers and chambers of the Colorado Supreme Court.

Among other points visited were the Denver Museum of Natural History and attending a presentation "A Night In the Mountains" which was held at the planetarium.

While in Denver they also visited the city zoo and were guests in the home of his mother, Mrs. Heana Summers.

Mrs. Morrison says that the most exciting part of the trip was returning home over unpaved roads due to the recent floods in the areas of Denver and Colorado Springs, Colorado.

## WOW's Have Weight Loss

Monday's meeting of the Win-Over-Weight Club was held in the Wayne Price home.

WOW members registered a loss of some 12 3/4 pounds and a gain of two at the weigh-in. Nine members were present for the session as two were pigs, one hare, and five turtles.

Members held an evening walk and concluded the session with games of rummy.

The next meeting will be at the home of Ruth Ann Brillhart, 2505 13th Avenue, at 7:30 Monday, August 9.
